

UPCOMING EVENT: Environmental Protections are Not Red Tape - Feb 19, 2019

**Date and Time:** February 19, 2019 at 7:30pm EST

**Location:** White Water Gallery, 122 Main St E, North Bay

# RESISTING

THE CURRENT ATTACK ON OUR ENVIRONMENT

## A WORKSHOP

TUESDAY, FEBRUARY 19TH  
7:30-9:30 PM

WHITE WATER GALLERY  
122 MAIN ST EAST, NORTH BAY

Join CELA's Kerrie Blaise for a workshop discussing recent environmental law reforms in Ontario.

CELA will discuss ways in which audience members can access information about environmental issues in their community and get involved in decision-making for projects which may have detrimental effects on air, water and land.

CELA will also discuss the current [review](#) of Ontario's *Endangered Species Act*, species at risk protections in the province and next steps for citizens wanting to be involved.

Hosted by Solidarity North Bay, this evening is an opportunity to share ideas and stay informed about decisions being made affecting our environment.

For more information, visit: <https://www.facebook.com/events/1279942235480902/>

The event is free of charge, all are welcome!
